PERSONAL MISSION STATEMENT	Students analyzed different companies Mission Statements at the beginning of the nine weeks. They used words from these mission statements along with other resources to develop their own personal mission statement for the school year. Check out their work here .
6th GRADE ESSENTIAL QUESTIONS	<ul style="list-style-type: none">• From where does courage originate?• How does courage inspire action?• What is the role of a hero or “she-roe” (coined by Maya Angelou) in a culture?• How do various cultures reward / recognize their heroes and “she-roes”?• When does a positive personality trait become a tragic flaw?• What are the factors that move individuals / communities / nations to great sacrifice and what are the consequences?• In the face of adversity, what causes some individuals to prevail while others fail?• How are belief systems represented and reproduced through history, literature, art, and music?• How do beliefs, ethics, or values influence different people’s behavior?
6th GRADE ENDURING UNDERSTANDINGS	<ul style="list-style-type: none">• It is possible for every person to make a difference.• Ambition and drive are important for progress, but they should be balanced by moral courage and ethical choices.• There are two sides to every story; in order to be effectively persuaded, one must objectively consider both sides.• There is a consequence to every action or inaction.
HUMANITIES & LITERACY: Philosophy for Kids	We used Byrdseed TV to analyze characters using philosophy cards. Students learned the philosophies of Socrates, Aristotle,

	<p>and Descartes and applied these philosophies to lyrics of songs that have central messages about accepting cultural differences.</p>																																
<p>MATHEMATIC LOGICAL Math Push-in 3 Act Tasks Byrdseed TV</p>	<ul style="list-style-type: none"> • There are exciting activities occurring in your child’s math class! Mrs. Jamerson pushes in one a week to provide support in the regular education classroom using somegame-based activities. • 3 Act Tasks are engaging lessons with three different “acts” for advanced math students. • Byrdseed TV is a resource used by our AIG Specialists in BCS to increase problem solving and critical thinking skills for our advanced math students. We are using this in our Math+ classes. 																																
<p>BOOK BENTO & THINGLINKS *Ask your child about this.</p>	<p>We are collaborating with teachers and students from North Windy Ridge to share book recommendations. Students who read 10 books each nine weeks will participate in a reading reward with Mrs. Jamerson. Please encourage your child to focus on reading for at least 20 minutes every night. The goal is to build a book collection and a love for reading!</p>
